ADVISORY GROUP MEETING

The MAG Intelligent Transportation Systems (ITS) Committee will be hosting the ITS Communications Workshop on Thursday May 15, 2008 from 9:00 a.m to 4:30 p.m in the MAG Saguaro room. Therefore, the meeting of the MAG Telecommunications Advisory Group (MAGTAG) originally scheduled for Thursday May 15, 2008 has been cancelled.

This workshop will cover the Regional Community Network (RCN) and focus on the active electronics for Phase 1a and future RCN expansions. The active electronics selected in this phase are likely to become a standard for future phases, so TAG members are all encouraged to attend and provide input.

The next meeting of the MAGTAG is scheduled for Thursday, July 17, 2008 at 10:00 a.m. in the MAG Palo Verde room. Please adjust your schedules accordingly.
